PROFILE

I'm **Ahmed Wali**, a motivated final-year Bachelor's student in Computer Science and Management at the Faculty of Economics and Management of Sfax. Passionate about new technologies and driven by a solution-oriented mindset. I am currently seeking an internship opportunity to apply my technical skills and contribute to innovative projects.

PROFESSIONAL EXPERIENCE

KPIT (summer Internship) 2025 July – 2025 August | Tunis, Sfax

Development of an **automation plugin** for XML file generation used in E2E_Protection (End-to-End Protection) analysis.- **Extraction** et **analyse** des résultats de tests depuis des fichiers Excel.
- Extracted and analyzed test results from Excel files.
- Automatically inserted analysis data into structured XML files.
- Validated and tested the plugin on automotive communication protocols (LIN, CAN, FlexRay).

Technical Environment:
• Languages/Tools: Python (pandas, xml.etree.ElementTree), Excel, XML
• Automotive Protocols: LIN, CAN, FlexRay
